THE QUEEN ANNE ROOM

This old gunpowder store has been transformed into an elegant, prestigious room at the heart of the Castle. A magnificent banqueting room, with an adjoining glazed courtyard ideal for pre-dinner drinks, and leading directly out on to Crown Square where a 'Beat the Retreat' finale is spectacular.

THE GATEHOUSE SUITE ¹

The imposing 19th century Gatehouse Suite at the entrance to the Castle offers intimate dining, daytime meetings and private afternoon teas. Complete with a private terraced area with panoramic views of Edinburgh and the Pentlands, perfect for pre-dinner drinks.

THE JACOBITE ROOM ²

The Jacobite Room offers a contemporary setting within an 18th century building for evening entertaining. Guests attending a dinner will enjoy magnificent views over Princes Street and the Firth of Forth. Drinks receptions can be held on the Argyll Battery or in the adjoining Redcoat Room.
